LESIM group ranked first by the Italian Agency for the Electrical and Electronic Measurement

We are proud to announce that the LESIM group has been ranked at the first place among the medium size groups (indicated as Sannio in the table) and at the second absolute place in the evaluation carried out by the Italian National Agency for the Evaluation of the Research among all the Italian research groups in Electrical and Electronic Measurement (SSD ING-INF/07 in the table).

Rank	Group	SSD	Size	Score	Rank
1	LESIM	ING-INF/07	Medium	95.0	2
2	Sannio	ING-INF/07	Medium	90.0	1
3
